This form is for employees to request a savings suspension

A savings suspension temporarily stops KiwiSaver employee contributions and employer's contributions being calculated on your pay.

KiwiSaver member for 12 months or more

Approval is automatic if you've been a member of KiwiSaver for at least 12 months. You can suspend your KiwiSaver contributions for 3 to 12 months.

If needed, you can request another savings suspension when your current suspension expires.

KiwiSaver member for less than 12 months

If you have been a KiwiSaver member for less than 12 months you can apply to suspend your contributions at any time after Inland Revenue receives your first contribution if you are experiencing financial hardship.

In this case, please attach an explanation of your situation.

We will advise you if your application under financial hardship has been accepted or declined.

Savings suspension approval notice

If approved a notice confirming your start and finish dates for suspending your KiwiSaver contributions will be sent to you. Keep this notice and show your employer/s so they can stop deducting KiwiSaver contributions from your pay. You can ask your employer/s to restart deductions at any time.

We will send you a reminder notice when your KiwiSaver contributions are due to restart.
